

PDPM is Here!

AHCA Resources for Transition & 2020

AHCA MEMBER SUPPORT

AHCA has worked closely with members over the past year to provide resources and ensure you are prepared for success under the new payment model. These efforts will continue into post-implementation.

PDPM Resource Navigators

AHCA PDPM Resource Navigators are trained to help you find existing AHCA and CMS resources and guidance. **They can be reached by email at pdpm@ahca.org or by calling (202)-842-4444 and asking to speak with an AHCA PDPM Resource Navigator.** If you have technical questions, PDPM Resource Navigators will record your information and question(s) and submit them to in-house PDPM technical experts. Members will receive a same day response to questions and requests. You will be notified if additional technical research or clarification from CMS is required, and a projected response date will be provided. AHCA offers resources and is prepared to answer PDPM policy and operational questions. If you need intensive, hands-on assistance, such as claims submissions, we can refer you to a vetted consultant.
