Dear Sue and the entire Staff @ Biodex,

Every year, Family Service League hosts a “Back to School” event to help needy families in Suffolk County send their children back to school with needed supplies to start off the school year.

This year, the Brookhaven Family Center helped over 150 children- due to generous donors such as you.

I am writing to thank you for your kindness and commitment to our programs. Your generosity was truly amazing. It is comforting to know that even in these hard times, we can help our neighbors in need.

Sincerely,

Diane Hodge  
Program Supervisor  
Home Safe
